

CC 120  
2.1 AMP DUAL PORT  
HOME/TRAVEL CHARGER

MSRP 16.00

This 2.1 amp dual port charger provides you with the ability to charge your devices both at home and on the go. The compact folding design allows for easy travel and the automatic shutoff feature prevents your device from overcharging. It is compatible with all mobile phones, powerbanks, and tablets. Charge two devices at once with the dual USB ports.
