

THE PODS

Unrivaled Style and Sound!

THE PODS combine true HD hi-fi sound with a super comfortable, ergonomic, and sweat resistant design. With a built-in microphone, these secure fit, wireless stereo earbuds give you complete control to answer/end calls. The compact, lightweight design offers unlimited mobility and unrivalled style. Equipped with the latest Bluetooth V4.2+EDR, THE PODS can connect to two different devices simultaneously, pair with ease, and work up to 33-feet away from your device. THE PODS offer 10mm dynamic drivers with bass enhancers that produce crisp highs and booming lows. Armed with a new and improved lithium polymer battery, THE PODS let you seamlessly enjoy music for up to 5 hours and 120 hours stand-by with just a quick charge of only 1 hour. An included case has built-in LED battery indicators and charges your earbuds when stored inside.
