

12-Volt Universal Grip Mount

Our 12-volt universal grip mount is a unique take on the traditional mount. Insert the car mount into any 12VDC car outlet. The mount has 2 integrated quick charge USB ports for your mobile devices or tablets. The long, flexible neck makes for optimal positioning. Expanding to 3.25 inches, this mount is compatible with all iPhone and Android devices. The 360° rotating head allows you to securely view in both landscape and portrait modes.

Features

- 360° rotating head
